

# Permission Slip for Field Trip

\_\_\_\_\_

Date

This is to certify that my son/daughter

\_\_\_\_\_ has my permission to attend

Name

a field trip to outer space, on \_\_\_\_\_.

Date(s)

I understand that the field trip will be supervised by competent aliens; therefore my child will be in good hands. I am also aware that my son/daughter will be responsible for bringing a sack lunch that consists of candy, marshmallows, and pizza.

I hereby give my permission for my son/daughter to ride in a spaceship driven by Ima Badriver. In the event that the space travel causes my son/daughter to defy gravity and float above the ground for one week following the field trip, I shall release the planet -- formally known as Pluto -- and all alien leaders from any liability.

Phone Number During This School Activity

I understand that any wacky high jinks (determined by standards set by the alien authority counsel) on my part will result in a denial of my right to participate in future space missions. Furthermore, the consequence of severe silliness could result in my allowance being doubled.
